

The Sneaker Challenge

Name: _____

Grade: _____ Room # _____

(See my website for more directions. washlib2013.weebly.com)

Draw a picture of the shoe and label it with the materials you will use for each part.

A. List the materials you will use to make your sneaker.

B. List the steps you use to make your sneaker.

C. Explain how repurposing or recycling these items will help the environment. (Use the back of your paper if you need more space.)
